MISSIONS & MINISTRY HIGHLIGHT

Kirit's Story – From Engage Today

Kirit found life utterly meaningless growing up in a Hindi family in India. He would offer food sacrifices to idols and pray for peace and joy but found none. At age 13 he received a New Testament and was drawn to Christ by the offer of rest in Matthew 11: 28. A short time later Kirit was baptized but his family completely rejected him.

The Lord called Kirit to ministry and burdened his heart for his own people and the majority people group in the region where he lives. After serving with a denominational mission for many years, he established a new mission in 1996 to continue to reach the unreached. God has used Kirit to help bring unity in the gospel to churches and denominations in their region. Pray that new doors open for the gospel through Kirit
