MISSIONS & MINISTRY HIGHLIGHT

Join the Joy Smith Foundation for their annual Joy in Action in-person and virtual fundraiser happening August 17-25, 2024!

How they are making a difference

The Joy Smith Foundation is Canada's leading authority on human trafficking prevention, intervention and support for survivors of this horrific crime.

Their goal is simple: to end human trafficking in Canada. Education and awareness leads to understanding. Donations of time and financial support help them extend the impact of their programs into new communities and to reach more survivors.

Stayed tuned for a visit from Joy Smith in the fall at EMBC. We look forward to having her speak again!
