## **PRAYER & PRAISE:**

- Pray for our seniors @ home: Ken Krebs & Nettie Dyck.
- Praise the Lord for those becoming members today: Matt and Erin Oliver as well as Ken and Bella Kornelson.
- Pray for our friend Kirit in India. He is a pastor who trains other pastors in some of the least reached areas of Asia. Pray for courage, joy, wisdom and strength in his work and that many would hear the gospel across Asia.
- Pray for those working on the various renovations in our church—for James Wiebe, Josh Penner and many others who are working and helping oversee the renovations of the windows and main floor bathroom.

## **MISSIONS & MINISTRY HIGHLIGHT**

Four of the five most populous countries in the world share a disturbing reality: Christians are systematically and harshly persecuted within their borders.

China (1.41 billion people), India (1.46 billion people), Indonesia (285 million people), and Pakistan (255 million people) routinely strip Christians of fundamental human rights like worshipping freely and sharing their faith with others. (The United States [347 million people] is the other country in the top five.)

Pray for protection for church leaders in these places, so that they may continue to shepherd their congregations. Praise God for encouraging and strengthening persecuted believers through the Holy Spirit.
