MISSIONS & MINISTRY HIGHLIGHT

Recently, the Global Christian Relief team traveled to the Middle East to visit their partners and see a secret Bible printing press in action. In this area of the world, the Bible is illegal. These fearless believers not only print Bibles in multiple

languages, but they also put them in the hands of persecuted Christians and Muslim seekers. Let's pray for the underground church as they boldly work to grow God's family in this treacherous part of the world:

Heavenly Father, we thank You for the courage and tenacity of this persecuted community in the Middle East. Lord, bless the work of their hands as they print and distribute countless Bibles to those in need. God, protect them and the printing press from all harm, that Your Word might spread throughout every nation in the Middle East and bring hundreds of millions to salvation. In Jesus' name we pray. Amen.
